

Carbon Steel Hosetails & Adaptors

Hydraulic Energy Australia is a leading WA supplier of European manufactured carbon steel hydraulic hose tails and adaptors.

All products are manufactured in accordance with international standards such as DIN / EN / SAE / BS & JIS. All dimensions, threads and tolerances are strictly in accordance with the above-mentioned specifications.

Our comprehensive range includes brands such as Manuli, Parker, Gates and Ryco to name a few.

Threads

Our extensive range includes the following threads:

- ▶ JIC
- ▶ NPT
- ▶ BSPT
- ▶ BSPP
- ▶ Standpipes
- ▶ French Gaz
- ▶ Inverted Flare
- ▶ SAE 45 Degree
- ▶ UNO
- ▶ Metric
- ▶ ORFS
- ▶ SAEs

Supported by our supplier partners' high production manufacturing capabilities, and with an extensive internal inventory on hand, we guarantee availability on demand.
